

Welcome to your instructions for your thankfulness tree,

Step 1: Cut out the leaves (or make your own)

Step 2: Cut out tree template, or if you are feeling creative find a really nice stick!

Step 3: Draw, write, and colour things that you are grateful for on the leaves. You can also use photographs if you would like.

Step 4: Hang the leaves and pictures from the branches and behold your gratitude tree (or branch)!

This activity is easy and results in a pretty reminder of the things that bring you joy throughout your daily life.

Sing and make music from your heart to the Lord, always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ.

Ephesians 5:19-20

Leaves

Tree Trunk

Hi there - we really, really miss seeing you at church, and we are sure that you miss seeing all your friends too. We hope you are keeping safe, washing your hands, and looking after everyone at home.

At this time of year, we always celebrate Harvest in church - do you remember seeing the church decorated with flowers, fruit, and vegetables? Remember the smell of all that when you come into the church? Well this year we won't be able to do that, but we are still able to give thanks to God for all His goodness to us: food to eat, families to love, beds to sleep in and friends to have fun with. We would love you to use these craft items to make a "Tree of Thankfulness": you can colour, paint, stick and be as creative as you want. Write on the leaves, some things your thankful for and try memorising the Bible verse too - it will remind you that God is the Great Provider!

When you have finished your crafting and colouring, please send us a picture of you holding it and we will include it in our online Harvest Service on 1st November - So send your picture to Ryan on 0897079450, or ryan1328@hotmail.com before 29th October so it can be included.

Happy crafting and God bless you.
